## Searching for Events/Classes/Camps

Once you are logged in to your online member account, you can navigate to event listings by going to the dropdown menu in the upper right corner and selecting "Search/Register for Events, Classes and Camps."

The screenshot shows a user's online member account page. At the top left, it says "Welcome Test Tester (Account# 63741)". Below that, it states "Your membership is currently active. Details". In the center, there is a message: "Welcome to your personal gateway to Oglebay Institute and a... Here, you may manage your account view and register for upcoming events and programs, a...". A dropdown menu is open in the upper right corner, listing several options: "What would you like to do?", "Search / Register for Events, Classes & Camps", "View My Registered Events", "Join OI / View My Membership History", "Make a Donation", "Join Our Mailing List", "Manage My Addresses", "Setup My Login", "Update My Profile", "Login Home", and "Logout". The "Search / Register for Events, Classes & Camps" option is circled in red. Below the message, there is a graphic for the "CREATING OUR FUTURE CAPITAL CAMPAIGN" featuring a blue background with a white outline of a building and a photograph of a large, classical-style building with a portico. Below the graphic, it says "Oglebay Institute's capital campaign supports critical priorities throughout the organization. Click here or click the graphic above to learn more." At the bottom, there are two lines of small text: "OI is recognized as a 501(c)3 non-profit organization by the IRS." and "Your contribution is tax-deductible to the extent allowed by law."
