

2023 DAY CAMP SCHOLARSHIP APPLICATION

Applications received by March 17, 2023 given first consideration

PLEASE READ CAREFULLY. These guidelines have been established to ensure a smooth process to accommodate as many applications as our funding will allow in a timely and equitable manner.

Guidelines:

- 1. Scholarship consideration is based on need, merit, timeliness of application, and funding availability. First consideration will be given to financial need. The Federal Poverty Guidelines (attached) and the narrative information in the application are considered to determine eligibility.**
- 2. A separate application is required for each child.**
- 3. No incomplete application will be considered. If incomplete, it will be returned to you. Review your application thoroughly before submission.**
- 4. All camp scholarship awards and subsequent registration will be processed by the Oglebay Institute Administration Office, not through our customer service desks.**
- 5. Submission of this scholarship application DOES NOT AUTOMATICALLY ENROLL YOUR CHILD IN A CAMP. Popular weeks may fill before scholarships are awarded. We will notify you if a camp for which you have requested scholarship funding is full, and will suggest available alternate weeks.**
- 6. A maximum of three weeks of camp scholarship funding per child will be awarded. Please choose your weeks carefully.**
- 7. Scholarship awards CANNOT be transferred to a different week of camp. Again, choose carefully!**
- 8. If your child is awarded more than one day of camp and fails to attend the first week, subsequent weeks may be forfeited.**
- 9. APPLY EARLY! So that you may plan your child's summer activities, awards will be announced on a first come, first serve basis as soon as possible after March 17, 2023. Additional awards may continue monthly thereafter, dependent upon funding sources.**
- 10. Due to the volume of requests, you may be required to pay a co-fee on camps. In this instance, you will be contacted to make arrangements to pay the co-fee and complete the registration at the time of the award. Your child is not enrolled until any required co-fee is paid.**

As a courtesy to our generous funding partners, your child will be required to submit a "thank you" card or letter.

If you have any questions, please call our office before submitting your application. We are happy to assist you. Any questions may be directed to the Administration Office at 304 242-4200.

**Return completed application form and list of camps to:
